The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The following Special Conditions for location filming in the San Pedro Business District have been established so that both the established businesses and production companies filming in the area can operate successfully and function in a cooperative manner. - **Cast/crew parking is not permitted to park on area streets, nor in any public parking areas within the San Pedro Business District.** Off-street, alternate parking must be provided.
